Freshway Supplies: Australia's Trusted Cleaning & Equipment Partner

Freshway Supplies, headquartered in Arncliffe, New South Wales, has been a cornerstone in Australia's cleaning and equipment supply industry since 2001. With over two decades of experience, the company has established itself as a leading independent specialist, offering a comprehensive range of products tailored to both domestic and commercial needs.

Extensive Product Range

Freshway Supplies boasts an impressive inventory of over 5,000 stock lines, ensuring that customers find exactly what they need. Their offerings include:

- **Vacuum Cleaners & Parts**: From backpack and wet & dry vacuums to specialized vacuum parts, catering to various cleaning requirements. freshwaysupplies.com.au+1freshwaysupplies.com.au+1

- **Cleaning Chemicals**: A diverse selection of cleaning agents suitable for bathrooms, kitchens, floors, and more.

- **Janitorial Supplies**: Essential tools such as mops, buckets, gloves, and trolleys to maintain cleanliness in any setting.

- **Outdoor & Power Equipment**: Including high-pressure cleaners, leaf blowers, and garden equipment for outdoor maintenance.

- **Paper & Washroom Products**: Hand towels, toilet paper, and dispensers to ensure hygiene standards are met.freshwaysupplies.com.au

Commitment to Sustainability

Understanding the importance of environmental responsibility, Freshway Supplies offers eco-friendly cleaning solutions. Products like biodegradable urinal deodorizers and eco-safe mold removers are part of their sustainable range, allowing customers to maintain cleanliness without compromising the environment.

Serving Diverse Industries

Freshway Supplies caters to a broad spectrum of industries, including:

- **Hospitality**: Providing cleaning solutions for hotels and restaurants.
- **Healthcare**: Supplying disinfectants and sanitizers essential for medical facilities.
- **Education**: Offering janitorial supplies suitable for schools and universities.
- **Childcare & Aged Care**: Ensuring safe and hygienic environments for vulnerable populations. freshwaysupplies.com.au+1freshwaysupplies.com.au+1
- **Commercial Cleaning**: Equipping cleaning contractors with reliable tools and chemicals. freshwaysupplies.com.au+5freshwaysupplies.com.au+5LinkedIn+5

Customer-Centric Approach

Freshway Supplies prides itself on exceptional customer service. Their knowledgeable staff provides genuine advice, assisting customers in making informed purchasing decisions. The company's commitment extends beyond sales, offering after-sales support and welcoming feedback to continually improve their services. https://freshwaysupplies.com.au/

Nationwide Reach

While based in Sydney, Freshway Supplies has an extensive distribution network, ensuring prompt delivery across Australia. Customers can conveniently shop online through their official website, which features detailed product categories and descriptions.
